Min 02/CHEP/18/1/2024 -BRIEFING AT THE SITE

The Chief from Cheplosh Location introduced his Sub-Location Chiefs and then welcomed the staff from Central Rift Valley Water works Development Agency (CRVWDA), the pre-tenderers and the surrounding community people. He then handed over the meeting to the team leader.

Tenderers were informed of the day's programme. The registration of the Tenderers started at 2.45am and went on up to 3.15a.m.

It was emphasized that this pre- tender site visit was not mandatory and there is no certificate but the visit was very important as they would carry out the assessment of the works and fill in the tender document without any difficulty.

They were reminded that the proposed Pan is in Cheplosh Village in Sandai Location in Mochongoi Ward in Marigat Sub- County. The set aside land for the project is a Government /Public land and covers approximately 2 of an acre.

Pre-tenderers were shown all the beacons of the land for chain-link fencing assessment, the cattle trough site area and the communal water point.

Min 03/CHEP 18/1/2024 -MATTERS ARISING
