MIN 01/5/12/2023-preliminaries

The meeting point as stipulated in the advertisement was Turkana West Sub County DCC's office in Lokichogio town held on 05/12/2023 at 09.00am.

The chair called the meeting to order at 09:00 am with a word of prayer by Moses. The Chair welcomed the stakeholders present to introduce themselves starting with CRVWWDA Staff, National Government Officers, Office of the MP, and the bidders present. The chair clarified that the Pre-tender site visit was an addendum to the initial one done on 20th November 2023 with submission of bids extended to 18th December 2023 and that the activity was not mandatory however requested the bidders to sign the attendance list as the confirmation for attendance with no issuance of the certificates

MIN 02/05/12/2023-Introduction and opening remarks

The chair made a brief introduction of the project and thanked everyone for finding time to attend the pre-bid site meeting and informed them the meeting was not mandatory but it is very important because it will enable them to:

- 1) To understand the working environment and thus knowledgeable when making decision in preparing their bid.
- 2) Have a depth understanding of the condition of the project and location.
- 3) Clarify any issue or questions arising from the contractors.

MIN 03/05/12/2023- Brief on the project overview

The contractors were taken through the project overview by Kennedy Kurgat. The location of where the water pan will be constructed, the name of the project, topography landscape of the area and what are the 14 mandatory requirements for the bidders to comply with as per the tender document.

MIN 04/05/12/2023-Project technical/Financial evaluation guideline

The Chair went further to lay out technical evaluation requirements as per the tender document and guided the bidders on what to observe and key areas to consider while filling their tender documents. He explained too what financial evaluation entail and assured the bidders that they shall pick the bidder with the lowest value of money

MIN 05/05/12/2023-Site Visit

The bidders were taken to the site Kapetadie approximately 55km from Lokichogio Town at the border of South Sudan. On site, they were taken through the dam layout and positioning of all structures. The bidders appreciated the site conditions acknowledging it's a good site for dam construction with the only challenge being insecurity.

MIN 05/05/12/2023-Closing remarks

As closing remarks, the bidders were requested to forward all their request for clarification officially via email address provided in the bid document after which an official response will be given to that effect email: info@crvwvda.go.ke and cc procurement@crvwvda.go.ke. The meeting end at 3:45pm with a word of prayer.
